## About us

Situated in Jacksonville Florida in the Cathedral District, NorthBank is a 120-room facility, of which 28 are private suites. Our beautiful healthcare center provides restorative care for short term rehabilitation as well as a comfortable long term living environment.

NorthBank will guide you along the road to recovery very carefully. Our interdisciplinary team of clinical nurse specialists, rehabilitation therapists, social workers, and nutritional liaisons will work together with you to create a care plan that addresses your daily medical, physical, social, and psychological needs.

We value the relationship we share with residents and their families and are passionate about working together to provide the highest level of care and support.

## Specialized Care

### Sub-Acute Rehabilitation

Whether you're recovering from a major surgery, a bad fall or an extended illness, our team is here to provide you with the outstanding care that you deserve.

Physical Therapy

Occupational Therapy

Speech Therapy

Respiratory Therapy

### HIV/AIDS Care

Residents with HIV/AIDS conditions benefit from coordination between NorthBank, the Rainbow Clinic, and the volunteers in Medicine Clinic, to ensure their confidential treatment. We offer respite care, as well as hospice for those with advanced illnesses who are comforted with palliative care.

## Long Term Care

If your loved one is no longer able to remain at home, NorthBank Center for Rehabilitation and Healing provides a nurturing environment within to help them live fully. Our nursing staff cares for each resident with a personal touch, treating them with proper dignity and warmth. Our facility also provides numerous on-site care and grooming services, on an as needed basis.
